

**model:SVL-12150K Non-waterproof**

**INPUT:100~250V OUTPUT:150W 12.5A**

**Features:**

- Able to work under 100% full loading
- Short circuit / Over load protection
- 5V/24V Series is available at the same size
- 100%full load burn-in tested
- Fine ventilation design
- Wide input voltage range
- Switch design to shift from 120V to 230V

<b>Model</b>	<b>SVL-12150K</b>
Input	100~250V
Rated Power	150W
Output Current	12.5A
Protection	Short circuit / Over load protection
Weight	0.5kg
Size(mm)	199*98*50
